Dear Families,

Our new schedule began on March 1st for **ALL** students. Our teachers will be teaching students in-person and students who are virtual at the same time. Please be patient with us as we transition the students in the building to each subject. There may be a little lag in starting some of the Google Meets when teachers need to pick up students from other class areas.

Just a reminder, students will come back in the following phases:

March 1 – Students designated to come 5 days a week – You have been contacted if your child is in this group.

March 15 – Hybrid students in grades PK, K, 1, 2

March 29 – Hybrid students in grades 3, 4, 5

Have a wonderful weekend.

Mrs. Balter and Mrs. Madden

Healthy Tips from the Health Room

Please check your student *each day* for any symptoms of illness prior to coming to school. Students who are ill will be sent home and expected to be picked up within an hour. Please refer to [HCPSS guidance](#) on when to stay home from school. If a household member has tested positive or is suspected to have COVID, the student should not come to school. Consider using the [CDC's Symptom Checker](#) as a tool to determine if CoVid-19 testing/ medical care is needed. Check out this [Staying home when you are Sick](#) video.

Questions about mask wearing in school? Review the HCPSS guidelines [here](#)

Please remember to send a change of clothes for your student if they are attending school in the building in case of a bathroom accident. The health room cannot provide clothing at this time.

The health room has added more info and resources for the DLES community, check it out on the website or click [DLES health](#)

Contact diann_rocha@hcpss.org (school nurse) or alicia_fleischer@hcpss.org (health assistant) for health room assistance or call 410-313-1739.
