Virtual Learning Tips

- Have a designated work space
- Keep materials in/near work space
- Reduced distractions, if possible:
 - Is there a TV on nearby?
 - Is there music playing in the background?
 - Are there siblings or animals around?
 - Am I able to sit up and write neatly?

Parent Roles

- Teachers and students are working hard to build **independent learners** and workers, so that you as the parent/caregiver do not have to be actively involved in any live instruction.
- We appreciate your help and support during live instruction but encourage you to allow your child to **try first before assisting**.

What does being a Title I school mean?

- **GOAL:** Close achievement gaps for all students
- School-wide enhanced programs and services
- Family involvement & collaboration
- E-mail our Title I Team:
