Back to School Bash was a huge success! Thank you to the community for supporting DLES and coming out having fun dancing, eating, and playing games. If you missed out on ordering a DLES t-shirt, use the form below. We will also send home a copy of the order form next week in the Thursday folder.

The 2021-2022 Family File is available to families through [HCPSS Connect](#). Please update your child's emergency information. This is the most important step as we start the 2021-2022 school year. Your Family file needs to be verified and/or updated EVERY school year.

Technology Update

Computers with any kind of problems must be returned to the school by Monday, September 13, 2021. If a computer with a problem is returned after Monday, September 13, 2021, parents/guardians will be charged fees by HCPSS.

Las computadoras que tengan algún tipo de problemas deberán ser regresadas a la escuela a más tardar el día lunes 13 de septiembre del 2021. En caso de que la computadora sea regresada después del 13 de septiembre del 2021 los padres de familia y/o tutores legales tendrán que pagar un cargo o tarifa.

Form Filing at DLES

The 2021-2022 Family File is available to families through [HCPSSConnect](#). Please update your child's emergency information. This is the most important step as we start the 2021-2022 school year. Counselor Corner - Please take a few minutes to check out the [Elementary School Counselor Newsletter - Issue 1](#). This is a great resource for students and parents to read together. Included in the School Counseling Connection newsletter are celebrations, activities for home as well as self-care ideas. Newsletters will be created and shared bi-monthly.

Gifted and Talented Corner - Welcome to our returning and new families. Mr. West, Mrs. Schmitt and Mrs. Roussillon, G/T Resource Teachers, are looking forward to a great school year with your children! Did you know that all children at DLES can be involved in the Gifted and Talented Education Program? To find out how, please join us on Wednesday, September 13th at 6:00 pm in the DLES cafeteria for a brief G/T Parent Information Night. ALL parents are invited and encouraged to attend. This session is especially valuable for families new to HCPSS or the DLES community. We hope to see you there: however, if you are unable to attend, the presentation slides will be available on the DLES website. In the meantime, please visit <http://www.hcpss.org/academics/gifted-and-talented/> for information about the Gifted and Talented Education Program. If you have any questions, please feel free to contact Mr. West at gavin_west@hcpss.org or sherri_schmitt@hcpss.org or jennifer_roussillon@hcpss.org or call (410) 313-5050.

Girls on the Run Registration is Open: Girls on the Run® inspires girls in grades 3-5 to be joyful, healthy, and confident by using running to teach valuable social-emotional and life skills such as managing emotions, resolving conflict, and setting personal goals. Teams of 15-20 girls meet twice weekly after school for 9 weeks. Each season concludes with the girls and their running buddies completing a non-competitive 5k fun run. The Fall season will start the week of September 20, with the season-ending site-based 5k. **DLES GOTR will be held this fall on Mondays and Thursday.** Program registration fee is \$165 and includes 5k registration and finisher's medal, water bottle, t-shirt, a cinch sack, journal, grown-up guide, and all program materials. *Generous financial assistance is available and no girl is turned away.* DLES coaches this year are Mrs. Karen Rinehart, Ms. Amanda Gates, and Ms. Ryann Plokin. Please visit www.gotrcentralmd.org to register. Call 443-583-7740 or e-mail info@gotrcentralmd.org.

Okinawan Karate Dojo - School's Out Ninja Day Camps! HCPSS will be closed Sept 7 & 16, Oct 15, Nov 4, and Dec 23. Science & Technology

The Wonderful World of WeDo with Tech Scientific

LEGO® bricks cultivate creativity and encourage kids to become engineers. In this class, we take it a step further as students bring LEGO's to life! Using the LEGO® WeDo software, students build things such as animals and modes of transportation, and use basic coding to get them to move. They also learn about and use different sensors to make their "programs" more complex. As students enjoy building, learn the principles of basic programming.
